To: The Redistricting and Elections Committee Members

Please vote **NO** for a National Popular Vote Compact in Michigan. The NPV circumvents the constitutional Electoral College now in place and could easily give an unfair and unbalanced vote to a candidate for the President of the United States of America. This is a serious issue and should be voted down. Please vote no to join the compact. If dissatisfied with our system, do it the right way and seek a Constitutional Amendment.

This sneaky attempt to circumvent the U.S. Constitution is wrong and as Michigan residents we are ashamed our state would even consider this compact.

Thank you.

Sincerely,
